# DropStop® - a unique promotional gift

There is only one Original DropStop®! With the DropStop® disc you can pour wine without spilling a drop! The disc can be customized using printing technology of the highest quality. The DropStop® is made of metalized polyester.

Our wine pourer is long lasting, light weight and food safe.

DropStop® has been used in promotional campaigns in many different sectors, including wine, hotel and restaurant, finance, insurance, transport, medical, tourism, even royalties. To compliment the DropStop® we have a variety of customized packaging available.

## Neckhanger for on-bottle promotion

## Give Away - exclusive and light weight

## Corporate Gift - premium branding
